Attorney: Leonard Holtz

Dated: July 1, 1998

In the event that this Paper is late filed, and the necessary petition for extension of time is not filed concurrently herewith, please consider this as a Petition for the requisite extension of time, and to the extent not tendered by check attached hereto, authorization to charge the extension fee, or any other fee required in connection with this Paper, to Account No. 06-1378.

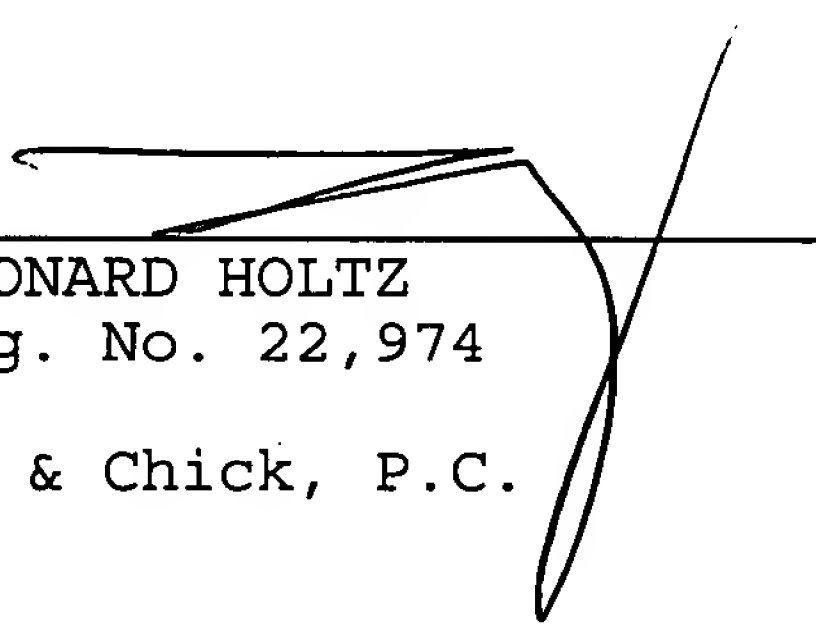

Submitted herewith are corrected sheets of formal drawings for Figs. 8, 12, 13C and 13D, which include the drawing correction filed on September 21, 1995, which has been approved by the Examiner. Approval and entry of the attached sheets of formal drawings, in replacement for the corresponding original sheets, is respectfully requested. In this regard, it is noted that corrected formal drawings have already been filed on September 21, 1995.

Concerning the objection set forth in the PTO-948 attached to Paper No. 4, it is requested that the objection to Fig. 16 be withdrawn. Fig. 16 includes a bracket thereon, as indicated on the attached photocopy thereof. Thus, the drawing in Fig. 16 fully complies with all Patent Office drawing requirements, and

withdrawal of the objections set forth in said form PTO-948  
attached to Paper No. 4 is respectfully requested.

Unless we receive a communication to the contrary from the  
Official Draftsperson, it is assumed that the objection to Fig.  
16 is withdrawn, and that submission of the other formal drawings  
herewith is in full compliance with all outstanding Patent Office  
drawing requirements.

Respectfully submitted,
